POST EVENT REPORT POLICE EXPO 2015

The Police have two main roles to play: crime investigation and crime prevention. The policemen's job is thus to enforce laws that protect people and property. It is said that the police reacts after crime is committed but plays no part in the causes of criminality. So every nation needs its forces to be upgraded with the latest equipments, technologies and gadgets to combat various situations. And it is quite evident that an Equipped and Healthy Police Force can protect in a better and efficient way. It is comprehensively agreed fact that Indian Police could do better job with an enormous bout of upgradation to make them more technology friendly. In a bid to show the way, Nexgen Exhibitions Pvt Ltd. organized the International Exhibition and conference for Police i.e. 2nd International Police Expo-2015 at Pragati Maidan, New Delhi. The two-day exhibition over the weekend included two days conference that saw eminent speakers from various sectors of the homeland security sector, surveillance, Forensics sharing their knowledge, information and technology.

In an effort to provide effective, economical and innovative solutions to the Police Forces in the country, 2nd International Police Expo for Police and other forces was organized at Pragati Maidan, New Delhi during 8th - 9th May 2015 by Nexgen Exhibitions Pvt. Ltd.

2nd edition of International Police Expo, 2015 focused on everything about the police & allied force, their welfare and fitness as well as showcased the latest equipment, firearms and technologies. It also gave inputs on technology for safety and protection of society, law enforcement, riot control, providing rescue to disaster-affected and all other necessities for their day-to-day operations.

In the expo from high resolution face detection cameras, devices to create 3D crime scene to shock shields to disperse a mob were displayed in the expo. The expo was focused on all aspects of homeland security and cop protection including surveillance, cyber security, crime investigation, forensics, IT and Communication, Traffic, Disaster Management, Riot Control arms and ammunition etc. Few technology and products displayed at expo were Face Detection, Mob control Pistols and Guns, Shock Shields, 3D Crime Scene, Body Worn Camera, Portable Attachments for Weapons, Portable Boy Lights, Fire Gels, Floodsax etc. Few sniper rifles were also displayed which attracted the interested for some Para Military forces came to visit the expo.

The presentation by Delhi Police on Himmat App and other e-solutions for the Delhi residents like E-Filing of complaints on Delhi Police Website were applauded by the delegates from various state police officers and other forces as well. Few other presentations on Police Modernization, Women Safety, Surveillance, Body Worn Camera, Para Policing, Cyber Security etc. also presented.

Mr. V K Bansal, organizer of the show, said that the expo was aimed to infuse the latest technology in the police and other forces which will enable them to work efficient and more responsive.

The conference covered all segments viz. cyber security, communication and IT, Women Safety, law enforcement, Body Worn Camera, Para Policing, Surveillance, Cop Protection, Fire, Disaster and Rescue Management, Training, Forensic and Investigation technology as well as traffic and logistics.

2nd International Police Expo 2015:

OPENING CEREMONY

2nd International Police Expo was officially opened by Shri Bhim Sain Bassi (IPS), Commissioner of Police, Delhi with other dignitaries and the stakeholders of Homeland Security and Safety on the 8th May, 2015 at the Pragati Maidan, New Delhi, India. Mr. Bassi emphasized that improving security starts with the citizens and educating them to be more aware, involved and collaborating with Law Enforcement agencies to curb the crime insurgency. He endorsed the International Police Expo as a pivotal platform for India to not only discuss the issues but to provide and implement the necessary measures and collaborate as a region to improve India's security.

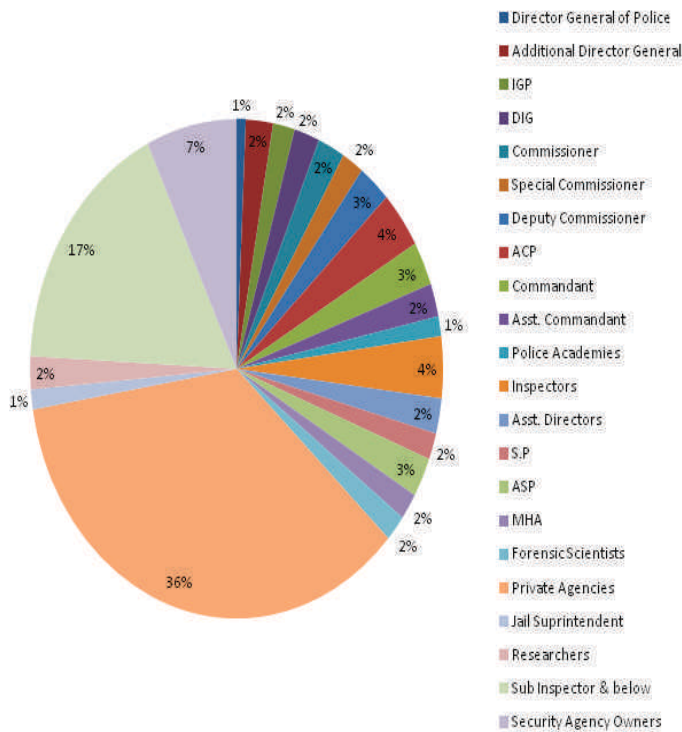

Minister of State for Youth Affairs and Sports (Independent Charge) Shri Sarbananda Sonowal was Chief Guest of this occasion and spoke about the vision of SMART Police by Shri Narendra Modi, Honorable Prime Minister of India. The acronym SMART Police is described as — S stands for Strict and Sensitive, M stands for Modern and Mobile, A stands for Alert and Accountable, R stands for Reliable and Responsive, T stands for Techno savvy and Trained.

GREAT VISITOR ATTENDANCE:

Two days exhibition was attended by various State Police Forces where a huge delegation from Delhi Police, Uttar Pradesh Police, Tamil Nadu Police, J&K, CRPF, CISF, BSF, SSB, STF, Telangana Police, Tihar Jail, DRDO, Greyhounds Force, NSG, Octopus Force, ATS, ITBP, Traffic Police from various state Police, State PAC, Madhya Pradesh Police, Punjab Police, Nagaland Police, Meghalaya Police, Haryana Police, etc.

The exhibitors showcased various equipments and technology which were quite new and innovative.
